

# INTRODUCING THE NEW 1959 HILLMAN

everything you want in an imported car—plus Hillmanship

**ECONOMY**—35 miles to the gallon! That's the favorite economy feature of the Hillman. And there's another—the low initial cost. That's why, for the money, Hillman is "best buy" among imported cars selling for under \$2000.

**PERFORMANCE**—larger engine, larger battery, increased acceleration for better performance at today's highway speeds.

**COMFORT**—deeper, foam rubber seating. Ride relaxed even on those long trips.

**STYLING**—Brilliant new curved grille. Beautiful new colors—vivid 2-tones, distinctive single colors.

**SAFETY**—Single-welded unit construction of heavy gauge steel for greater strength and safety... freedom from rattles.

**HILLMANSHIP**—to drive the 1959 Hillman is to discover it. It's the result of brilliant British craftsmanship, a precision-built engine, distinctive styling and solid construction. Discover Hillmanship today,

## HERALD Carrier Boy Cops Award At Rifle Shoot

A Herald carrier boy, shooting a 22 rifle in a prone position at a target 50 feet away, came home from San Pedro Sunday with one of Junior Rifledom's most coveted awards, the Bill Council Perpetual Junior Rifle Trophy.

Tenth boy to have his name inscribed on the travelling trophy is Rodney Clarke, 12-year-old son of Mr. and Mrs. Gordon Clark of 1820 Marinette St. Rodney captured the trophy by scoring 70 in a National Rifle Assn. shoot at the San Pedro Police Rifle range.

A marksman for the past seven months, Rodney previously had won a smaller trophy.

In addition to delivering the HERALD in the Kettner Knolls area and devoting time to improving his trigger finger, young Rodney—who will enter seventh grade at Torrance elementary school this fall—also raises rats, and is an avid baseball player. At the present time he is catcher for the Cubs and travels with the All-Stars.

Rodney's father, Gordon, who is employed by the city of Torrance as a fireman, formerly served as assistant circulation manager of the HERALD.
